Q: How long does exterior house paint last in Orlando?

A: Our Coolwall coatings can last up to 15-20 years, providing superior protection against Florida's sun and humidity.

Q: Do you offer a warranty?

A: Yes, AWA Coatings offers a lifetime-limited warranty on exterior coatings, plus a 5-year labor warranty for added peace of mind.

Q: Is your paint eco-friendly?

A: We use low-VOC, environmentally friendly coatings safe for your family, pets, and the planet.

Q: Do you provide free quotes?

A: Absolutely! We offer free on-site consultations and detailed written estimates for all painting projects.

Q: Can you match any color?

A: Yes, we provide professional color matching to perfectly suit your home's design and architecture.

Q: Do you paint both residential and commercial properties?

A: Yes, we specialize in both residential and commercial painting throughout Central Florida.

Q: What's the prep work process like?

A: We power wash, repair cracks, and prime all surfaces before applying paint to ensure long-lasting adhesion.

Q: Do you handle driveway and roof coatings too?

A: Yes, we also offer driveway coatings, roof coatings, and waterproofing services to protect all surfaces.

Q: Is Coolwall better than regular paint?

A: Yes, Coolwall is up to 10x thicker than paint and reflects heat to keep your home cooler while saving energy.

Q: How soon can I get started?

A: Call us today at 407-669-3261 — most projects can begin within 7-10 days after your free estimate.
